

COOP-150 – Industry Work (Co-op Work Experience)

Cooperative Education

Effective Term & Year: Fall 2022
Course Outline Review Date: 2027-09-01

Program Area: Cooperative Education

Description:

The Co-op work placement provides a work-based learning experience and opportunity to students. This work placement will further develop employability competencies and enforce the practices and skills gained during classroom studies. Furthermore, this course connects the student with industry practitioners, building employment networks and establishing the foundations of the student’s employment history. An effective workplace environment supports students in developing skills which are essential to their future success.
