Learning Outcomes:

Upon the successful completion of this course, students will be able to

- identify current trends and issues in inclusive education in British Columbia;
- describe how funding and categorization are determined by the BC Ministry of Education and Child Care, and the impact this has on the roles and responsibilities of an EA in the K-12 classroom;
- compare the required observing and documentation for each Ministry category;
- connect the necessary documentation to the goals of the IEP;
- apply different observational techniques to a variety of developmental domains, behaviour patterns and/or settings in student-positive and culturally safe ways;
- analyze the components of Individual Education Plan (IEP) and the role of an EA in support the goals;
- demonstrate a connection between the key characteristics of specific diverse abilities and the academic, physical, social, and emotional implications for students in the K-12 classroom; and
- select appropriate strategies for supporting the learning of individuals who have diverse abilities.
