

CAAP199 – Carpenter Apprenticeship Program Gap Training

Trades

Effective Term & Year: Fall 2022

Program Outline Review Date:

Program Area: Trades Apprenticeship Training

Description:

Gap Training refers to missing or re-sequenced content of the Carpenter Apprenticeship program as a result of the Harmonization Initiative by SkilledTradesBC and applies to apprentices that are transitioning from the current* Level 1 of the Carpenter Apprenticeship program to the harmonized** Level 2 of the Carpenter Apprenticeship program. Apprentices who have not completed a harmonized Level 1 Carpenter Apprenticeship program **MUST** complete Gap Training in order to receive credit for Level 2 Carpenter Apprenticeship program.

*Current refers to the program stream for apprentices who have completed Level 1 training before April 2018.

**Harmonized refers to the program stream with re-aligned content effective January 2018.

Credentials Granted:

Program Changes:

Information contained in program outlines is correct at the time of publication. Content of the program is revised on an ongoing basis to ensure relevance to changing educational, employment, and marketing needs. The instructor endeavours to provide notice of changes to students as soon as possible. The instructor reserves the right to add material to programs.

Industry Training:

The program competencies and technical training content delivered in this program follow the SkilledTradesBC Program Outline for this trade.

Safety Catalog:

WorkSafeBC regulations apply to all trades programs. Students are expected to follow all safe work practices and have high regard for the safety of others as well as of themselves. Students are responsible to wear personal protective equipment (PPE) as directed. At a minimum, students must provide and wear approved safety footwear and eyewear at all times in the shop. Additional PPE may be required for specific tasks. Students are expected to wear clothing suitable for working safely in the shop.
