DEAS – Certified Dental Assisting Program

Health and Human Services

Effective Term & Year: Fall 2023
Program Outline Review Date: 2028-04-01

Program Area: Health

Description:

The Certified Dental Assisting Program is a full-time, ten month program that prepares graduates to work as Certified Dental Assistants (CDAs). The program is accredited by the Commission on Dental Accreditation of Canada. Program graduates are eligible to write the National Dental Assisting Examining Board (NDAEB) exam which, upon successful completion, allows graduates to obtain registration and licensure with the Dental Assisting Regulatory Authorities. Registration and licensure in each province is required to work as a CDA in Canada.

The program curriculum is developed and guided in accordance with the Health Professions Act – Dentist's Regulation – A Guide to CDA Services from the British Columbia College of Oral Health Professionals. More information about specific curriculum content can be found in the online course outlines.

Program Information:

The ten-month full-time program combines lecture and clinical practice to prepare students for a career as a Certified Dental Assistant.
