

RMGT – Recreation Management Certificate

Business

Effective Term & Year: Fall 2024

Program Outline Review Date: 2029-03-01

Program Area: Tourism, Recreation, & Hospitality

Description:

With coursework in recreation management, business management, and related specialty courses, the Recreation Management program helps prepare students to become leaders in the recreation and leisure services industry. The program offers experiential and interdisciplinary learning opportunities that may include real-world event management experience, recreation programming simulation, inclusive recreation programming, job shadow assignments, guest speakers, volunteer assignments, site visits to recreation facilities and applied research.

Program Information:

Students may begin their studies by applying to either the certificate or diploma program. Students who select a two-year diploma program can exit after completing one full year of coursework with a certificate or continue into second-year diploma studies.

Co-operative Education Option:

Students enrolled in this program may be eligible to choose Co-op as an option. The Co-op option involves alternating full-time academic and work terms. For more information, contact Co-op and Employment Services.

Program Information:

Graduates of this program can enter the workforce in public recreation services, commercial recreation, non-profit organizations, college/university recreation departments, resorts/outdoor camps, recreation facility administration, and inclusive recreation programs.

They can also continue into a Recreation Management bachelor degree program at other institutions, or transfer into the Bachelor of Business Administration degree in Sustainable Business Practices at College of the Rockies.
