

SCIEC – Science Certificate

University Arts and Science

Effective Term & Year: Fall 2024

Program Outline Review Date: 2029-04-01

Program Area: Math and Sciences

Description:

The Science certificate recognizes one year of study upon the successful completion of 30 credits of coursework.

The certificate provides breadth of knowledge in specific academic University disciplines to explore the sciences. This certificate is sufficiently flexible to enable students to complete required prerequisites for further study into the college's Associate of Science Degree or for to one of our partner institutions.

Grand Total Credits: 30

Program Completion Requirements Notes:

A grade of "D" grants credit, but may not be sufficient as a prerequisite for sequential courses.

Flexible Assessment: Yes

In some cases students may be able to apply for recognition of prior learning outside the classroom. This flexible assessment process provides equivalent course credit. It is a rigorous process that may include external evaluation, worksite assessment, demonstration, standardized test, self-assessment, interview, products/portfolio, and challenge exam, or other measures as appropriate. Tuition fees apply. Contact an education advisor for more information.

Program Transfer Credit:

For information about block transfer agreements between programs in British Columbia, Alberta, and elsewhere, please visit <http://www.cotr.bc.ca/transfer>.

To minimize transfer issues, check with an academic advisor at the institution that will receive the transfer credits.
